

## D3O® FITTED ANKLE GUARD LP

D3O® FITTED ANKLE GUARD LP

**D3O uses patented, patent-pending and proprietary technologies to make rate-sensitive, soft, flexible materials with high shock absorbing properties.**

The D3O® Fitted Ankle Guard LP delivers enhanced boot comfort for riders through a highly low-profile design without significantly compromising performance.

When integrated correctly into a heavy-duty boot, the D3O® Fitted Ankle Guard LP passes the EN 13634:2017 motorcycle standard for ankle protection due to its superior shock absorption properties, while being 41% thinner and 38% more lightweight than the D3O® Fitted Ankle Guard.

Featuring an unchanged perimeter shape compared to D3O's existing ankle protection solution, the D3O® Fitted Ankle Guard LP offers simple integration into existing boot ranges without requiring modifications to constructions.

### PRODUCT FEATURES
