

D3O® TRX™ KNEE PAD

D3O® TRX™ KNEE PAD

The D3O® TRX™ Knee Pad is designed to keep performance on track. Utilizing a revolutionary TRX™ rail feature, D3O® TRX™ provides market-leading, side-to-side security while kneeling for extended periods of time on the jobsite, whilst maintaining superior high-performance, soft, and flexible D3O® impact protection properties – day-in-day out.

Resilient, long-lasting protection and comfort with no drop in performance.

Replace your pads, not your knees.

PRODUCT FEATURES

- Unique TRX™ rail platform: Provides side-to-side security, preventing rocking, for unparalleled lateral knee support
- Recess: Delivers added bursa protection when kneeling
- Flex points and relief channels: Adaptive fit when kneeling or standing
- Thin and tapered design: Highly stealthy integration, reducing bulk
- Optimal load distribution, comfort and cushioning: Constructed using a low-density, D3O® patented formulation
- Durable, long-lasting protection: Maintains cushioning over time – resilient to flattening
- Retrofittable: Ergonomically designed to fit existing work trouser knee pad pockets
- Washable: Without the need to remove from pants/trousers

DESIGNED FOR SIMPLE INTEGRATION INTO EXISTING GARMENTS
